Welcome Entertainment:

Hop on a Bus for a Foodies and Bar-Hopping Trip to Enjoy Nagano's Liveliest Onsen Resort Night Life.

2017

Onsen Town Togura-Kamiyamada boasts 100+ owner-run eateries. From hole-in-the-wall yakitori joints to stylish izakaya pubs, and more ramen shops per capita than practically anywhere else in Japan, Togura-Kamiyamada is a foodies delight. Take the shuttle bus to our Onsen Town, where guests stroll the narrow side streets and back alleys wearing yukata robes, clip-clopping along in wooden geta sandals.

Come wander the town, browse the specialty shops, soak your feet in an onsen foot bath, try your hand at 'shateki' at one of the shooting parlors, or even take in a kabuki-like theater performance. Togura-Kamiyamada will be the highlight of your trip to Nagano!
